Blood Purifier and Blood Pills!

DR. ROBACK'S

SCANDINAVIAN REMEDIES. When Dr. Roback, the celebrated Swedish Physician, introduced his Blood Purifier and Blood Pills in the United States, he set forth in plain language their curative properties .-This was years ago. The task of recom-mending them has since been taken out of his hands. Enlightened men whose character for sound judgment and philosophy, gives their opinions weight in the community, men, who observe, reflect, and make "assurance doubly sure" before they decide—are everywhere approving and urging the use of these wonderful Preparations. All who confide in the wisdom and honesty of this class, or who chose to investigate for themselves are now of one mind on this important subject. Dr. Roback invites the attention of the

rick to the ORIGINAL LETTERS, from members of the Medical Profession Editors of public journals, well known Mer-chants and Farmers, and Ladies of the high-est respectability, giving accounts of extra-ordinary cures wrought by the remedies, of which cures they themselves were EYE WITNESSES.

These parties may be consulted personally or by letter, by those who have any doubt upon the subject. The evidence in the pos-session of Dr. Roback, which is at all times accessible to the public, establishing the fol-

FACTS: That the Blood Purifier and Blood Pills have been proved by analysis to CONTAIN NO MINERAL,

That they core the almost universal com plaint, DYSPEPSIA,
with uncerring certainty, and in a very short time. That after all other medicines have proved useless, they relieve LIVER COMPLAINT,

and restore the health and strength of the sufferer. That SICK PEMALES, who have languished for years in helpless weakness and despondency, recuperate with great rapidity under their invigorating oper-ation. That all sexual disabilities are reation. That all sexual disabilities are re-moved by their cordial and gentle stimulating properties. That they recruit SHATTERED CONSTITUTIONS,

however they may have been trifled with and abused; that their direct tendency is to lengthen life, and render it enjoyable. That operating directly upon the poison of the dis-ease in the blood they CAUSE SOON TO HEAL, and discharge from the system, every taint of Scrofula, whether hereditary or otherwise.

That they RECRUIT THE DEBILITATED, and that there is no disease of the Stomach and Bowels, the Liver and Nervous System, the Skin, Glands or Muscles, arising from impurities or obstructions of the blood or secretions, in which they do not give prompt relief, and, (if administered before the very citadel of life has been invaded,) effect a painless and

perfect cure. Bear in mind that the Seandinavian Veget-able Blood Pills are endorsed by the experi-DYSPEPSIA, OR INDIGESTION. ence of thousands of living witnesses, who, in letters, affidavits, medical works and Ly word of mouth, proclaim them to be the very best preparation of the kind ever offered to the broken down victims of ill health. They hunt disease through every avenue and or-

and permanently.

No one can doubt their superiority after one single trial-they are not only better but in fact, cheaper than any other Pills, for it takes a less number of them to produce a Price of the Scandinavian Vegetable Blood Purifier, \$1 per bottle, or \$5 per half dozen. MEANLY ALL DISEASES ORIGINATE WITH THE LIVER.

When the Liver is discussed the Bile becomes impure, and tends to derange the whole system. This impure Bile being thrown into the Stomach, causes a bad taste in the mouth, the Tongue being more or less furred, with, in most cases, distincts and pain in the head. The Bile then passes from the Stomach into THE BOWELS,

AND PRODUCES COSTIVENESS, UNHEALTHY HUMORS IMPURE STATE OF THE BLOOD,

and tends to close the pores of the skin, which organ becomes dry and husky. It also tends to impair the action of THE KIDNEYS,

as will be seen by the color and quantity of DR. MOTT'S

VEGETABLE LIVER PILLS will promote a healthy action of the Liver, and will change this impure Bile to a healthy state. To prevent or remove th secretion of unhealthy bile, these Pills have a specific action on the Liver; after using them, the tongue will become smooth and clean, the taste will become natu-

taste will become natural, and digestion be rendered easy. The Pains in the Head, Back, and Stomach, will be removed. The Sowels will become cleaned and regular, THE BLOOD FURE AND HEALTHY, and the Urine natural.

Although these Fills are most searching in their action upon the whole system, yet they are harmless, even for the mert delicate system, as they contain no Mercury or mineral in any form, but are composed entirely of vegetable substances.

LIVER COMPLAINT CURED.

INVER COMPLAINT CURED.

INDIANAPOLIS, October 12, 1858.

MESURS. A. L. SCOVILL & Co.

Gents. — I am hardly able to express my gratitude for the benefit which my daughter has derived from the use of Dr.

Mott's Liver Fills. She had been troubled with what the physician called Liver Complaint; but our doctor failed to give her any permanent relief, although ahe tried his prescriptions effectually. She had become melancholy, unhappy, and her constitution was much broken down by the use of Mercury. She tried Dr. Matt's Liver Fills, and soon began to get better. I am happy to say that she has now entirely recovered her health.

Respectfully yours.

JAMES COBB.

COSTIVENESS CURED.

COSTIVENESS CURED.

URBANA, Onto, September 25, 1858.

MESSEN. A. L. Scovull. & Co.

Gents. — I have been troubled with
a torpid action of the bowels for six or seven
years, which has been the cause of a great
deal of suffering to me, and I had to deprive
myself of many kinds of food, and used much
oatmeal, etc., until I got Dr. Mett's Liver
Pills, and find that they keep my bowels
regular, and I now eat anything that my
family does. I most confidently recommend
these Pills to those who are troubled with
constipation of the bowels.

Truly yours, JOHN FLEMING.

CAMBRIDGE, IND., Feb i, 1858.

MESSER. A. L. Scovill & Co.

Gents. — This is to certify that I have used Dr. Mott's Liver Pills in billous attacks, and found them to be the best Pills that I ever used for that purpose; and I have also used them as a Cathartic Medicine, and have found but little use for a Physician since I had them in my family.

Yours, truly

ASA FRENCH.

This is generally attended with sour stomach, loss of appetite, nauses, flatulency, heart-burn, contiveness, heat in the stomach when empty, a pain in the side, paleness of the counterparts law spirits, disturbed countenance, languor, tow spirits, disturbed sleep, pains in the head, &c. MESSES. A. L. SCOVILL & Co.

Genla:—I bave found Dr. Mott's Genia.—I have found Dr. Mott's
Liver Pills one of the best medicines for
Dyspepsia that I ever used. I had been
afflicted with the disease for more than six
months, and my victuals disturbed my
stomach, often to such a degree as to cause
vomiting. I was most of the time costive.
I found that the Pills kept my bowels open,
without griping or pain. I have actually
gained in weight, since using them,—being
ten pounds heavier than when I commenced.
I owe my cure solely to use of the Pills.

GEORGE DANA.

BILIOUS FEVER CURED. PORTAMORTH, ONTO, April 1, 1859.

MESSES, A. L. SCOVILL & Co.

Gents. — I have been, for years, subject to attacks of Bilious Fever; and sometimes I have been laid up for months, and my system left in a feeble state by the use of strong medicine, which was given to me by my physician.

I have been using Dr. Mett's Liver Fills for sometime. I find that I can break those attacks in a day or so, and escape entirely the fever. My daughter had an attack of Dyspepsis, which distressed her much; she could not eat scarcely snything without becoming nauscated at her stomach continually.

could not eat scarcely anything without be-coming nauscated at her stomach continually. Some time since she got and has been using Dr. Mott's Liver Pills, and she now is like another being. I have found also that they are the most valuable Pills for Breaking up Colds, Headache, Pains in the Side and Back. I would not be without than in my family. THOMAS BIGGER.
